Robert Rasmussen

Welcome to the 2022-23 basketball season! I hope you are as excited as I am to see our Seahawks in action!

OV basketball has a long-standing tradition of being one of the best programs around and there are many reasons for that. First our players-they play hard, work hard, and represent our school with integrity. Next is our amazing coaching staff- OV's coaches are second to none! They put in a lot of time and energy working with our teams making sure they not only grow as players, but as young men. Family is another major factor in our program's success. Our program would not be as strong as it is without all of your support from watching the games to driving the kids wherever they need to go. Finally-our community! You are the best fans around and we are so lucky to have you in our stands cheering on our teams year in and year out!

Courage, sacrifice, loyalty, unity, integrity, character, spirit, tradition, commitment, and love...these are more than just words on the center court. These traits define OV's basketball program and help shape our players both on and off the court. I am honored to be a part of a school and program that understands what is important in the development of our student-athletes.

Our teams have been practicing hard the past several months and I cannot wait to see everything come together this season! See you all at the first "tip-off" this year!

Sincerely,

Dr. Robert Rasmussen

ATHLETIC DIRECTOR

Tim Walsh

Ocean View High School and the Athletic Department would like to welcome our fans back for another year of exciting Seahawk Basketball! After a great 2021-22 season that ended with another CIF playoff appearance, our returners are looking forward to making a run at a Golden West League Championship. The varsity newcomers have developed their skills over the last couple years and are excited about the opportunity to shine at the varsity level. The coaching staff continue to put in tremendous time and effort to prepare their student-athletes to be the best they can be, and they are confident that this group has what it takes to achieve their goals. The Athletic Department is very proud of the work ethic that our basketball players have shown both in the classroom and on the court, and we look forward to watching them represent Ocean View with class and dignity as they compete at the highest level. Enjoy the game, and thank you very much for your support of Ocean View High School Basketball!

TROY CONWAY
Head Athletic Trainer

How long have you been an Athletic Trainer?
3 years
What made you want to become an Athletic Trainer?
I always knew that I wanted to work in sports medicine after playing various sports my whole life. Since I did not have an athletic trainer in high school, I learned about the profession in college and how much they helped me as a student athlete. After working as an AT in hospitals, professional sports, colleges, and high schools, I feel like I am rewarded the most giving back to high school athletes as that was a luxury that I did not have. I also love watching them grow over their 4 years here and hope to be a teacher/mentor/positive influence on them as they move forward into the world.
What school did you study at?
I studied Exercise Science & Kinesiology at Willamette University, and then got my Masters in Athletic Training from Baylor University.
What brought you to OV?
I love the smaller school community and how everyone is so connected/involved and is always there to help when needed. I also love this area in southern CA as I am a big beach head. I also grew up about 2 hours north of here in Ventura County and have family and friends local.
Do you have any playing experience?
I played baseball at Willamette University.
Favorite Memory during training?
I loved getting to travel and work Spring Training with the Philadelphia Phillies.
What do you like to do in your spare time? Hobbies?
Going to the dog beach, playing men’s softball, golfing, and cornhole
What is your message to your family?
I can’t thank my family enough for the sacrifices they have made for my life and my career. All of the time, money, and resources they have given me have helped put me in this position and I can’t wait to pay it forward in my life.
What is your favorite quote?
“Do, or do not. There is no try.” -Yoda

KHRISTIAN NIELSEN
Head Frosh/Soph Coach

Playing Experience: I played Varsity Basketball for 4 years
Accolades/Awards During Playing Years: Coaches Award, Athlete with Character Award and the Jim Harris Memorial Award and Scholarship
Coaching Experience: I have coached Middle School teams and below for 6 years now, OV JV basketball for 4 years and this is my first year as the Freshman Coach.
Reason For Coaching: I love the game of basketball and I love working with kids and teens. I love being that outlet for them on and off the court and really admire the different relationships and personalities I encounter because of coaching. Making them better people and better basketball players is what I love to do.
Favorite Memory of Playing: My favorite playing memory was letting a teen with special needs from Orange High School score for the first time all season. It is something I stand by as a person and something I was proud to be a part of.
Hobbies/Spare Time: I love training young players and writing poetry in my spare time. **Message to Family:** Thank you for everything you do for me, have done for me and will do for me. I am the person I am today because of you, and I will make you proud one day.
Favorite Quote: "I always feel like it's two key ingredients when it comes to following your dreams, making something happen that the average person deems difficult. If you truly believe it, that's step one. Step two, you know, the hard work that goes along with it." – J. Cole
